Find out more benefits for your fleet at www.alcoawheelseurope.com.

Ultra ONE® Alcoa® Wheels

The strongest and lightest Ultra ONE® Alcoa® Wheels with MagnaForce® alloy to create lighter wheels without compromising on their strength.

- Available in all finishes
- Visit www.alcoawheelseurope.com for available sizes

Dura-Bright® - great looks, easy maintenance

Dura-Bright® finish: proprietary surface treatment that keeps your wheels looking bright and shiny for years without polishing.

Regular cleaning with a mild detergent or undiluted Dura-Bright® Wheel Wash will keep the wheels shiny, even after hundreds of washes and thousands of kilometers, reducing maintenance costs.

Range of cleaning and maintenance products are available on www.alcoawheelseurope.com.
